

CIRCOMASSIMO

Maurizio Di Mauro - 2016

DESCRIPTION

Every detail of Circomassimo reveals a strong, noble and austere character: an impressive and precious table, but essential at the same time. The design of its solid wood legs - which can be made in canaletto walnut or open-pore ash - is original and effective. They join together and form a double longitudinal Y parallel to the top. Its top is rounded and atypical - available in a rectangular version - which gives it a convivial look, favoring greater visual contact among the guests.

DESCRIZIONE

Ogni dettaglio di Circomassimo rivela un carattere forte, nobile ed austero: un tavolo imponente e prezioso, ma al contempo essenziale. Originale e ad effetto il disegno delle gambe in legno massello, realizzate in noce canaletto o in frassino poro aperto che, congiungendosi, formano una doppia Y longitudinale parallela al piano. Raggiato e atipico il suo top - disponibile anche in versione rettangolare - che gli conferisce un aspetto conviviale, favorendo un maggior contatto visivo tra i commensali.
